

SPE VINYL DIVISION

Educational Grant Application Procedures

I. Educational Grant

Individual educational grants valued at up to \$2500 each awarded per calendar year as funding allows.

II. Selection

A. Eligibility

1. Son or daughter of the Society of Plastics Engineers Vinyl Division member in good standing for a minimum of two years. The *one time only* educational grant is open to all students who will be enrolled in college in the Fall of the award year. (Students can apply more than once, but can only be awarded one grant.)

2. Applicant must have a minimum GPA of C+ (> 2.5) to be considered. High School seniors must provide a school transcript for the last two years. College students must provide a transcript of their college courses.

B. Selection

1. Each year the Board of Directors of the Vinyl Division will determine the number and amount of the educational grants.

2. The specific recipients will be chosen by a random public drawing of eligible applications during the ANTEC conferences.

3. In a case where a son or daughter of the education grant chair is a grant applicant, another appointed board member will oversee this process.

III. Education Grant Submission Deadline and Announcement

1. **Application deadline is March 31 each year** for the educational grants for the next academic year starting in the Fall.

2. The candidate's application must be sent to the Vinyl Division education grant chair for review. A picture, preferably digital, should accompany the grant application. The picture of the student(s) awarded the grant(s) will be published in the Vinyl Division newsletter.

3. We will acknowledge receipt of your application. Please contact the education chair if you do not receive an acknowledgement.

4. Winners of the education grants will be announced at the SPE ANTEC conference and by mail.

5. The grants checks will be issued directly to the selected students.
